BYLAWS REVISION PROPOSAL

Re: Conditions of Eligibility

Bylaws Resolution D-2009

Whereas, the follow change is required because of changes to the International Union of Operating Engineers Constitution and Local 310 Bylaws currently conflict.

Therefore, be it resolved that the Local 310 Bylaws be rewritten by replacing the fourth paragraph, fourth and fifth sentence of Article III, Subdivision 4, Section E – Conditions of Eligibility with “A written acceptance from the nominee must be received by the Recording Secretary, with a copy to the President, within ten (10) days of receipt of the notification of nomination to office. This written acceptance may be mailed, faxed, emailed or hand-delivered provided it is appropriately dated as stated above.”

Fraternally Submitted;

Executive Board
