Re: Duties of Officers

Bylaws Resolution E-2009

Whereas, the follow change is required because of changes to the International Union of Operating Engineers Constitution and Local 310 Bylaws currently conflict.

Therefore, be it resolved that the Local 310 Bylaws be changed to include the following sentence in Article VII, Section B – Duties of Officers, Paragraph two, after sentence one, “See Article III, Section 3 of the IUOE Constitution for eligibility requirements and provisions for additional delegates.”
